European Bioplastics presents „Big News“.....

- 11:00 - 11:10 **European Bioplastics e.V.**
Hasso v. Pogrell
Welcome to bioplastics in packaging
- 11:10 - 11:30 **Fachhochschule Hannover – University of Applied Sciences & Arts**
Prof. Dr.-Ing. Hans-Josef Endres
New data on the European bioplastics market
- 11:30 - 12:50 **Danone GmbH**
Activia – one of Germany's big brands counts on bioplastics

bip - strategic developments, materials and technology

- 14:00 - 14:20 **FKuR Kunststoff GmbH**
Julian Schmeling
Enhancing the properties of bioplastics by multilayer extrusion
- 14:25 - 14:45 **Taghleef Industries S.p.A.**
Paolo Serafin, Frank Ernst
NATIVIA™ BoPLA packaging films
- 14:50 - 15:10 **BASF SE**
Dr. Karthikeyan Sharavanan
Sustainable packaging solutions - technology meets demand
- 15:15 - 15:35 **Xylophane AB**
Håkan Grubb
Xylophane – a renewable barrier for packaging

.....Friday, 13 May 2011.....

bip - latest insights into the field of innovation and research

- 10:30 - 10:50 **Huhtamaki**
Sonja Haug
A holistic approach in sustainable plastics
- 10:55 - 11:15 **NatureWorks LLC**
Mark Vergauwen
Biopolymers at a crossroad: niche or mainstream?
- 11:20 - 11:40 **Innovia Films**
Andy Sweetman
Delivering conventional plastic packaging performance with renewable & compostable materials
- 11:45 - 12:05 **Purac**
Hans van der Pol, Ph.D.
Packaging innovation opportunities in biobased -GMO free- PLA

Happy Birthday bioplastics magazine

- 15:00 - 18:00 **bioplastics magazine** - 5 year jubilee celebration
Michael Thielen, Polymedia Publishing GmbH

bioplastics in packaging

PROGRAMME

Monday, 16 May 2011

bip - around the world

- 10:30 - 10:50 **Taghleef Industries S.p.A.**
Paolo Serafin, Frank Ernst
NATIVIA™ BoPLA packaging films
- 11:00 - 11:20 **NatureWorks LLC**
Steve Davies
Ingeo innovation 'talks': an education platform on responsible product innovations; applications of real-world bioplastics products from global brands
- 14:30 - 14:50 **Xylophane AB**
Håkan Grubb
Xylophane – a renewable barrier for packaging
- 15:00 - 15:30 **UNICA**
Alfred Szwarc
Bioethanol – a sustainable feedstock for bioplastics
- 15:30 - 16:00 **Braskem S.A.**
Rodrigo Belloli
Braskem's green polypropylene

Tuesday, 17 May 2011

Sustainability of bioplastics in packaging

- 10:30 - 10:50 **WWF Germany**
Dr. Bernhard Bauske
Bioplastics & sustainability
- 10:55 - 11:15 **Danone GmbH**
Activia – one of Germany's big brands counts on bioplastics
- 11:20 - 11:40 **Huhtamaki**
Sonja Haug
A holistic approach in sustainable plastics

bip - regional market trends

- 11:45 - 12:15 **Minima Technology Co.Ltd**
Dr. Chien-Ming Huang, Esmay Huang
Taiwan market trends in bioplastics packaging
- 14:00 - 14:20 **Novamont S.p.A.**
Stefano Facco
Italian plastic bag regulation

bip - strategic developments, materials and technology

- 14:25 - 14:45 **Innovia Films**
Andy Sweetman
Delivering conventional plastic packaging performance with renewable & compostable materials
- 14:50 - 15:00 **European Bioplastics e.V.**
Andy Sweetman
Resume & closing words
